

# DINE IN FOR LESS...

*treat yourself this weekend*

Order a special two-course weekend meal and dine in, in the comfort of your own home without having to pay restaurant prices, crazy wine and beer prices, babysitters and taxis! Also cheaper and better for you than a takeaway!

This week as a trial I would like to offer you the opportunity to dine in for £16pp and the menu is:

## **Slow Cooked Beef Ragu Lasagne**

The super popular ragu I make flavoured with tomatoes, red wine and rosemary will be layered with silky béchamel between lasagne sheets before being topped with more béchamel and gruyere cheese for the most umptious dish! A true weekend treat!

This will be served with **Rosemary Salted Chunky Skin on Chips** and a finely chopped **Jerusalem Salad** featuring tomatoes, peppers, spring onions, cucumber and a dressing of parsley, dill, olive oil and lemon.

**For dessert choose from:**

**Apple & Blackberry Crumble with Madagascar Vanilla infused Custard**

or

**Triple Chocolate & Raspberry Brownies served with a portion of Clotted Cream.**
